AMERICAN COIN SCALE

*Mr. E. B. STERLING, the owner of the three separate, but not inharmoniously blending properties described in the following pages, has been known for a long time as one of the most prominent and enterprising POSTAGE STAMP DEALERS in the country. His tireless activity having led him far beyond Philatelic fields, he finds himself, after years of patient and costly gleanings, the owner of a COMPLETE COLLECTION OF U. S. DOLLARS, comprising all the great rarities, in extraordinarily fine condition, which he now desires to offer to his numerous numismatical friends by the way of the auction room.*

*The fine collection of Colonial and Continental Currency, the very complete set of U. S. Fractional Notes, now so rarely offered, have been added with the object of illustrating, by contrast, as it were, the Current Paper Money of our Revolutionary Sires, and that of the Rebellion Period, with the SOLID SILVER DOLLARS OF OUR DADDIES.*

*ED. FROSSARD.*
